Course Overview

The pressure for people who have the responsibility for the purchase of goods and services is greater today than at any time in current history. As companies struggle with the rapid shift in technology and markets, purchasing is being challenged to reduce costs at an even higher level. This course is designed to provide you with the tools that can assist and guide you in proven ways to identify the cost drivers and give you the power to use them effectively in your negotiations.

Who Should Attend?

Everyone in the organization who deals with service suppliers, buyers, finance managers, and managers responsible for the purchasing/supply function - Buyers, senior buyers, and supply chain professionals.

SVA Mission

As a team of master educators, SVA is committed to improving the bottom line and achieving fast sustaining ROI of our clients. Moreover, understanding that our associates are our greatest assets, we've coined the phrase "people first," as a constant reminder to the foundation of our success.

National Certification

Upon completion of the course, students will be issued a national recognized certificate accredited through SVA, known as the *Business Process Analysis & Transformation Certificate*. The certificate is nationally documented by numerous Fortune 500 companies, and will give any management team the certification necessary to remain competitive and versatile in today's global market.

"SVA Certification Programs, education for tomorrow's decision makers."
